

## REMARKS

Fig. 10 has been amended to include the requested reference numbers and to show the structure of the invention more clearly. The specification has been amended to include a discussion of the Fig. 10 structure in the detailed description. Thus, it is believed that the application is in condition for allowance and to provide the proper antecedent basis for the claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard S. MacMillan", written over a horizontal line.
